Letter of Recommendation

To whom it may concern,

The Limited Liability Company "AEROTECH" being our reliable business partner has purchased 5-axis HSC-Machining Center Handtmann Typ HBZ Trunnion 120 with CNC Siemens 840D SL and 5-axis HSC-Machining Center (2-pallet) Handtmann Typ HBZ Trunnion 80 with CNC Siemens 840D SL produced by our company.

One of the conditions for successful business is the interaction with reliable partners who, through their professionalism and commitment to the highest results help to solve hard tasks and, hand in hand, developing and improving, to achieve business goals.

The high qualification and competence of LLC "AEROTECH" specialists allowed us to solve tasks and execute the project timely.

We do believe in the existing business relationships keeping, we do hope for further mutually beneficial cooperation.

We wish you a successful development and to achieve new heights in business.

Yours sincerely

Handtmann A-Punkt Automation GmbH
